G A
Go ahead, drive the nails in my hands
C G D-G
Laugh at me where you stand

C G
The day will come, when you will see!

[Chorus]

D G G7 C D-G
'Cause I'll rise again
Am D G D-G
Ain't no power on earth can tie me down
D G G7 C D-G
Yes, I'll rise again
Am D G
Death can't keep me in the ground!

G A
Go ahead, and mock my name
C G
My love for you is still the same

Go ahead, and bury me
C G
But very soon I will be free!

[Verse 3]

Go ahead, and say I'm dead and gone
C G
But you will see that you were wrong

But all will see that I'm the One!

'Cause I'll Come again

Ain't no power on earth can keep me back

Am D G
Come to take my people back
